The purpose is the management of customer data for billing, accounting, preparing estimates, as well as for administrative tasks derived from the aforementioned. Additionally, it includes sending information about our services and promotions. No international transfers of your data are made, nor are they shared with third parties. We process your data based on your consent, as well as the execution of a contract request and legitimate interest. You can access, rectify, and delete the data, in addition to the other rights recognized in the regulations, which you can exercise both at the address and the email listed at the beginning of the clause. You can file a complaint with the A.E.P.D. through the Authority's electronic headquarters or by non-electronic means if you believe your rights have been violated. You can find more information about our privacy policy on our previously mentioned website.
